RESPECT – HONESTY – RESPONSIBILITY – EQUALITY – COURAGE

Dear Parents, Guardians, and Students,

Over the weekend, RSU 13 reported the first case of COVID-19 at Oceanside High School. Only seven Mid-Coast students have been identified as “close contacts” and will be required to quarantine for 10 days. The identified students will not be allowed to attend Mid-Coast programs until the Maine CDC releases them from quarantine. At this time, there have been no reported cases of COVID-19 at Mid-Coast School of Technology.

We ask that students and families continue to complete the pre-screening checklist before attending school. For information regarding our COVID-19 protocols, please visit our website and click on “Mid-Coast attendance procedure regarding COVID-19 symptoms.”

Thank you for helping us keep our students, teachers, and staff safe.

Sincerely,

Bobby Deetjen
