

Section B: School Board Governance and Operations

BDF Superintendents Advisory Committee

The Superintendents of the sending schools within the region shall serve as an Advisory Committee to the Board.

The Superintendents Advisory Committee shall have the right as an individual or as a group to address the Board or a committee meeting on pertinent matters.

The Superintendents will also receive copies of the Board's agenda and be invited to attend all Board meetings and annually review the Cooperative Agreement.

The Superintendents Advisory Committee shall meet with the Director of the region at least four times each calendar year to review current and proposed programs, budgets, and issues relating to career and technical education in the region.
