RESPECT – HONESTY – RESPONSIBILITY – EQUALITY – COURAGE

Dear Students and Parents/Guardians,

Welcome to the 2021-22 school year at Mid-Coast School of Technology. I trust you had an enjoyable summer and are ready for the start of an eventful and exciting year. Please read the following information so you are prepared for the first day of school.

COVID-19 Protocols

- Masking - For the beginning of the year, **masks will be required** for all students inside the building. We will offer mask breaks and provide outside time when possible.
- COVID-19 Screenings - To help prevent the spread of COVID-19, we ask students and parents to complete the daily screening outlined on our website.
- Attendance - If a student is going to be absent for any reason, we request the parent/guardian call the main office at 207-594-2161.

A few opportunities to take advantage of:

- Dual Enrollment - Most programs offer students the opportunity to earn free transferable college credits through the Maine Community College System.
- College Math and English Courses - Mid-Coast offers both a college English and Math course through Kennebec Valley Community College.
- Industry Recognized Credentials - Most programs lead to industry credentials that can be used to find employment or increase wages.

Mid-Coast is committed to providing a safe and engaging learning environment for all students. Together we will make this a productive and memorable year. I look forward to welcoming you on September 8th or 9th for the first day of classes. If you have any questions or concerns, please do not hesitate to contact us at 207-594-2161.

Sincerely,

Bobby Deetjen
Director

Parking Permits for parking on campus

Students may request a parking permit to be able to drive to Mid-Coast School of Technology. To request a permit, please fill out the driving form by going to www.mcst8.org/current-students. Once the form is completed, the driver must bring their driver's license and a copy of the vehicle registration form(s), along with \$3 to the office. Students must complete the form each school year.

We use *Remind* to communicate announcements from the school or the student's program including cancellations and delays. You will receive an email and/or text message from Remind in the next several weeks. You can download the app for your mobile device, but it is not required. Remind will work through text and email without the app. If you wish to be removed from a list, please contact Scott Browning, Assistant Director, sbrowning@mcst8.org.

Mid-Coast School of Technology uses Infinite Campus for tracking student information, attendance and grades. Students will receive their login information in the first couple weeks of school. Parent/Guardians can request login credentials by contacting Scott Browning, Assistant Director, sbrowning@mcst8.org. *Please note, logins to another school's Infinite Campus will not work to log into Mid-Coast's Infinite Campus.*
