

Section B School Board Governance and Operations

BA Region 8 Goals and Objectives

1. Create an environment for effective learning
2. Raise the aspirations of all students.
3. Represent the interest of children.
4. Provide challenging curriculum/instruction at all levels.
5. Provide open communication to facilitate community trust for teachers, Board and administration.
6. Provide programs for students at risk.
7. Support staff development workshops and advisory committees.
8. Be accountable to sending schools, parents and the area community.
9. Build a partnership with business/industry and parents.
10. Strive for meaningful communication with local officials as well as State legislators.
