Dear Parents, Guardians, and Students,

As you may have heard, Camden Hills Regional High School has reported a case of COVID-19. Only two MCST students have been identified as “close contacts” and will be required to quarantine for 14 days. The identified students will not be allowed to attend MCST until the Maine CDC releases them from quarantine. At this time, there have been no reported cases of COVID-19 at Mid-Coast School of Technology.

We ask that all families take this situation seriously and ensure that all students complete the pre-screening checklist before attending school. For information regarding our COVID-19 protocols, please visit our website and click on “Mid-Coast attendance procedure regarding COVID-19 symptoms.”

Thank you for helping us keep our students, teachers, and staff safe.

Sincerely,

Bobby Deetjen
