

Mid-Coast Attendance Procedure regarding Covid-19 symptoms

Updated: 10/13/2020

If a Mid-Coast School of Technology student is called in sick by a parent/guardian, they will be asked for more information regarding the symptoms the student is experiencing in order to screen for COVID-19. If the student is experiencing one of the following “Most Common Symptoms” or two or more of the “Less Common Symptoms”, Mid-Coast will follow the Maine DOE and CDC’s guidance and the family will be asked to call their healthcare provider.

Most Common Symptoms (one of these)	Less Common Symptoms (or two or more of these)

In order to return to school, one of the following must be met...

1. Present a clearance note from your healthcare provider and be symptom free for 24 hours without the use of medication.
OR
2. Be symptom free for 24 hours without the use of medication and present a recent negative Covid-19 test result.
OR
3. If you choose not to contact your provider, the student must meet the Maine DOE and CDC criteria of being 10 days since the start of symptoms, 24 hours fever free (less than 100.4°F) without the use of fever reducing medications, and have improved symptoms.
